If applicable, I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. In Case of Medical Emergency

- Since Parents/Guardians are always notified of any serious illness or injury, **all families should provide an emergency contact** as a back up which will be used in the case both parents/guardians cannot be contacted. This is critical, especially if parents will not be at home during the week of camp.
- Each Camp has a well-equipped Medical Lodge with a Health Care Officer trained to handle minor accidents and illnesses.
- In the unlikely event of a medical emergency while at camp, the patient will most likely be transported to Clovis Community Medical Center.

Camp Chawanakee Expectations

- **Uniform:** The uniform helps to establish a sense of belonging and a certain measure of safety in the camp environment. As such, Scouts and leaders are encouraged to wear the field uniform for evening colors and the activity uniform for breakfast/lunch and during program hours. During the day, all Scouts are encouraged to wear some type of Scout shirt.
- **Buddy System:** Follow the Buddy System while out of the campsite. This supports our safety and security in camp.
- **Hazing/Bullying:** Hazing and bullying is prohibited in Camp Chawanakee and will not be tolerated and could be grounds for dismissal.
- **Non-Discrimination Policy:** Rules for acceptance and participation in the camping program are the same for everyone regardless of race, sex, color, national origin, religion, age, orientation, or disability.

Prepared. For Life.™

Camp Chawanakee Expectations (cont.)

- **Off-Limit Areas:** We ask that all attendees of Camp Chawanakee avoid the following areas of camp: Staff Areas (lounge, cabins and living quarters, and laundry area), any program or service area that is designated as Closed, other troop campsites, the camp maintenance yard and warehouse
- **Cleanliness:** Please help us to keep camp clean. Troops are responsible to keep their campsite, tent platforms, and other areas clean throughout your stay. Please make sure Scouts use trash cans. We are a Leave No Trace Camp!
- **Fires:** Use only the designated campfire circle in the traditional campsites to build fires. Fire control tools are located at each campsite. No fireworks in camp. New fire pits may not be constructed in the patrol sites. Campsite fires must be kept small. Flames should be no higher than two feet.
- **Internet Access:** There will be no internet access for scouts at camp.

First Year Camper Program

New or younger Scouts will have an opportunity to learn the skills needed to achieve the rank of First Class. They will work together on a variety of activities and skills including nature, hiking, orienteering, pioneering, first aid, and more. **Recording advancement for ranks First Class and below are handled entirely at the troop level.**

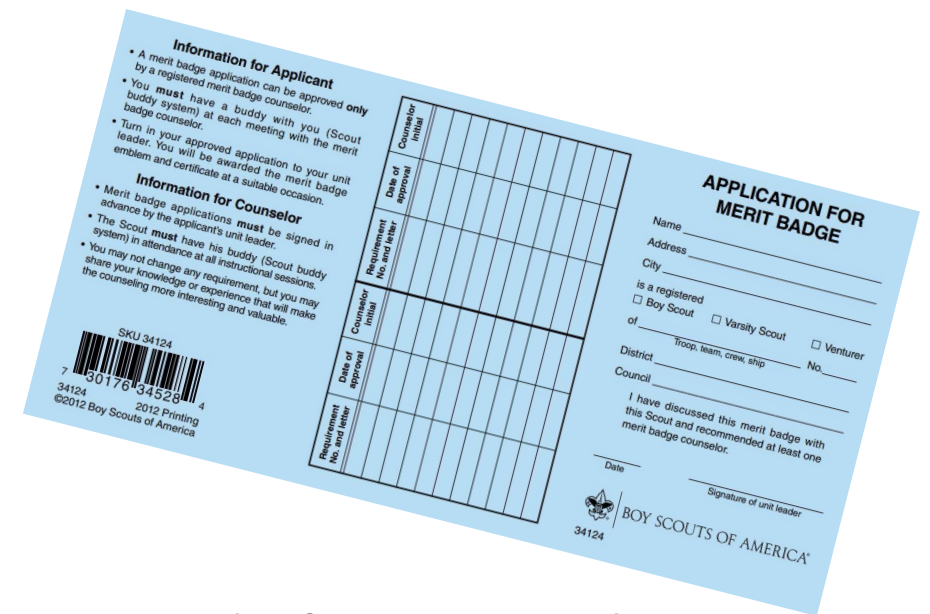

- Camp staff can verify that Scout has participated in a session, but Troop will have the ultimate authority to determine if the Scout has learned the skill
- Scouts should work with senior Scouts (Star rank and above) for signoffs. **PRO TIP:** ask for signoffs at camp!
- Goal is for Scouts to learn the skill, not just get the signoff
- Parents can support Scouts when they return from camp by encouraging them to practice skills

Merit Badges

Partials: There are merit badges that have requirements that cannot be completed at camp, either due to time requirements or because they cannot be done in a camp setting. [Merit Badge Offerings List](#)

The image shows a blue 'APPLICATION FOR MERIT BADGE' form. It includes sections for 'Information for Applicant' and 'Information for Counselor'. The applicant section asks for name, address, city, and registration status (Boy Scout, Varsity Scout, or Venturer). The counselor section asks for name, address, city, and registration status. A table with columns for 'Requirement No. and letter', 'Date of approval', and 'Counselor Initial' is provided for tracking progress. The form also features a barcode, SKU 34124, and the Boy Scouts of America logo.

Prerequisites:

- In most cases, Scouts do not need to complete prerequisites before camp; they can come home with a partial and find a T805 merit badge counselor to work with to finish the merit badge
- If they choose to work on requirements before camp, Scouts need to get a blue card from Mr. Prindiville, contact a T805 MBC and proceed as they would with any merit badge
- Camp counselors will need a partial from a MBC to sign off on any prerequisites

Camp Chawanakee Special Programs

- **Opening Campfire:** Start your week off right on Sunday night when our staff puts on the opening campfire at Eagle Point Campfire Bowl for your entertainment and enjoyment.
- **Unit Campfires:** Your unit can have a campfire in your campsite during the week. You can use only downed wood that you find at camp. Do not damage, trim, or cut standing trees.
- **Tribe of Chawanakee Campfire:** On Thursday night the spirit of the Native Americans who inhabited this land when Camp Chawanakee was just a dream, will come out to induct new members into the tribe and to advance in rank those who have returned. The highlight of this campfire is the reading of the legend followed by an induction ceremony for the Tribe Honor to which you are advancing. Members must either have completed their service hours prior to this campfire or promise on their honor they will have them done before leaving camp.
- **Closing Campfire:** Friday evening at the Eagle Point Campfire Bowl there will be a variety show put on by the units to commemorate our week in camp. That's right, units and youth are the main attraction here, so plan to participate.
- **Nature Trail:** This self-guided tour takes you through the beautiful meadows of Camp Chawanakee. Along the trail you'll find signs that explain the flora and fauna that can be seen throughout camp. If you have any questions, ask staff at Nature Lodge.
- **Fishing Derby:** Measure your fish either caught or "catch and release." The longest fish (or photo with ruler) each week will be recognized. This competition is a youth-only competition. Youth aged 16 and older require a valid California Fishing License. We do not sell licenses in camp.

Camp Chawanakee Awards and Recognition

- **Thumb Sticks:** Each evening, the Camp Commissioner will each give out a special award known as a Thumb Stick. Thumb Stick winners will keep and add to the Thumb Stick until the next evening's flags, where it will be returned to the Commissioner. At the end of the week, one unit will take home the Thumb Stick. The additions to the Thumb Stick, your unit's own personalization, should not make it larger than your smallest youth can carry.
- **Pioneer Hiker:** This honor is bestowed upon a youth that has exemplified the Scout Oath and Law. Pioneer hikers meet at the Camp Office after the Friday evening Campfire where further instructions will be given. Each unit can send one youth.
- **Honor Troop/Crew:** An honor unit is one that adheres to the Scout Oath and Law in all their dealings. Honor units demonstrate superior Scout spirit, have consistently high inspection scores, use the patrol method, and participate in programs and meetings. All honor units will be recognized at the closing campfire.
- **Spirit Arrow Award** The purpose of the Spirit Arrow award is to encourage Scout Spirit. The unit with the most enthusiasm, that is always doing their best, will be given this award. Judgment will be based on Patrols having flags, patrol yells, doing good turns and youth simply doing their best to take pride in Scouting, but most of all, HAVING FUN! The award will be given out at the closing campfire.

Camp Chawanakee Communications

- **MAIL:** We do not recommend sending mail to camp as it can make scouts homesick.
